In the dialog that appears, type the name of your supplier and click *Save*.

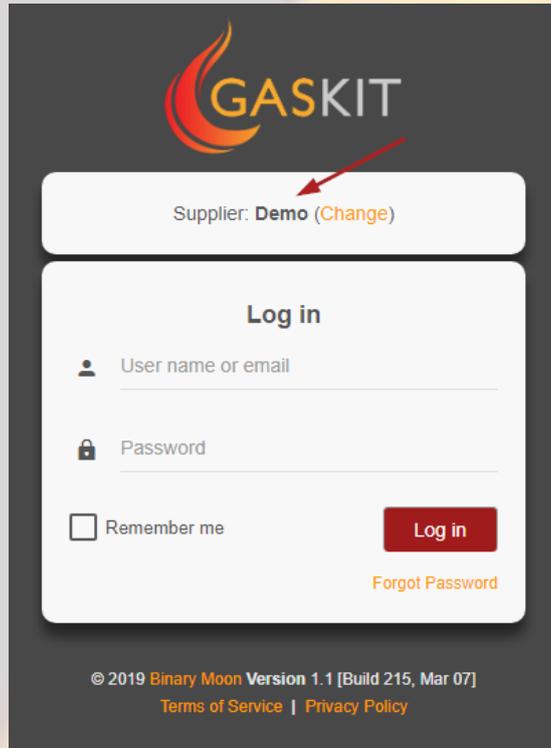

Select Supplier

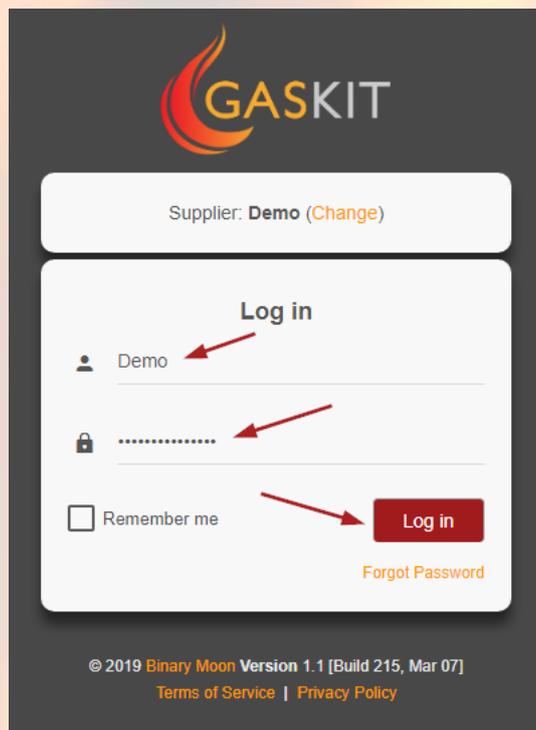

Supplier name
Demo

Leave empty to switch to the host

If your supplier has been selected successfully, the name will appear at the top of the login box.

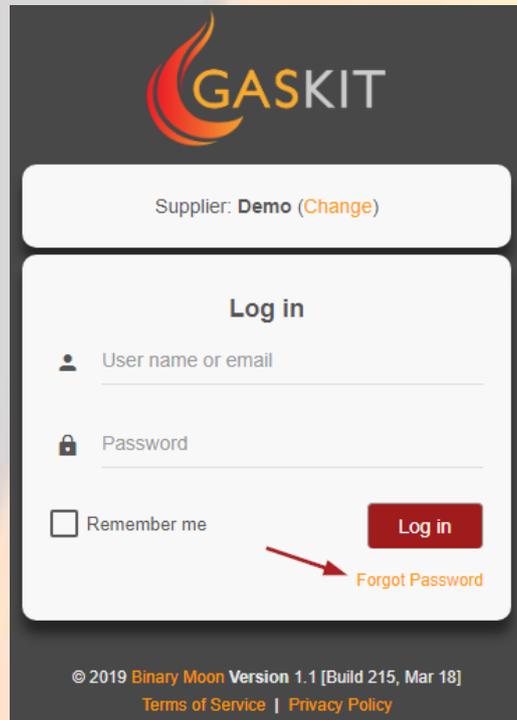

Type your username or email address and password, then click *Login*.

Forgot Password

If you have forgotten your password, you can reset it by clicking on the *Forgot Password* link. Note that you have to specify your supplier name before you click on the link.

Supplier: **Demo** ([Change](#))

In the next screen, type your email address and click the *Submit* button.

Forgot Password

If you forgot your password, you can request to set a new one below.

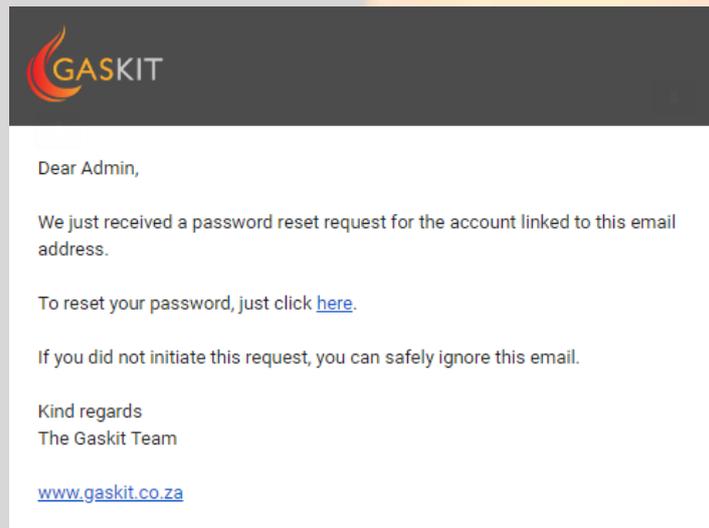

If the system received your request, the following message will appear:

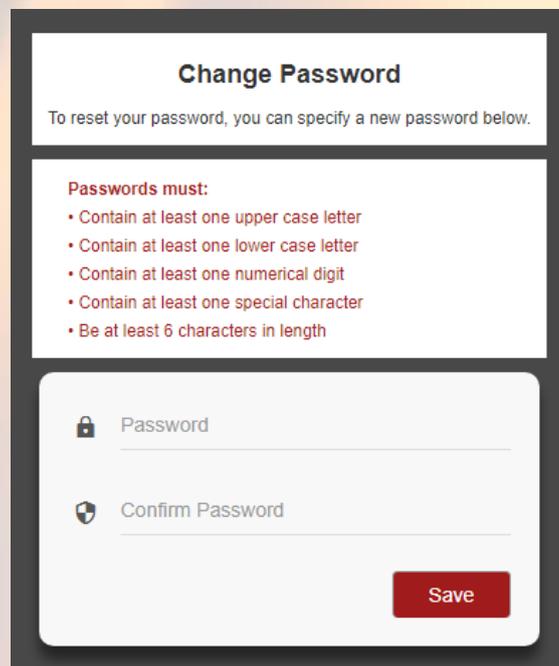

portal.gaskit.co.za says

If the specified email address exists on the system, an email with further instructions was sent. Please click on the link in that email to continue.

Check your email for instructions on how to proceed.

When you click on the link, you will be presented with a screen where you can select a new password.

A screenshot of a web form titled "Change Password". Below the title, it says "To reset your password, you can specify a new password below." There is a section for password requirements: "Passwords must:" followed by a list: "Contain at least one upper case letter", "Contain at least one lower case letter", "Contain at least one numerical digit", "Contain at least one special character", and "Be at least 6 characters in length". Below this are two input fields: "Password" and "Confirm Password", each with a lock icon. A red "Save" button is at the bottom right.
